View through Project Room 1 'laboratory' with researchers Charles Anderson and Jondi Keane in residence.
Drawing tests by residents and robots.
This page and opposite (bottom): 'work in progress' images by Charles Anderson/Jordi Keane
Details of drawings by robots and humans on paper and sand.
Opposite page: "work in progress" image by Charles Anderson/Jondi Keane
The ‘laboratory-like’ design of Project Room 1 provides an active space for testing and speculation.
